

China Medical University 2017 Academic Year Online Courses Selection Information

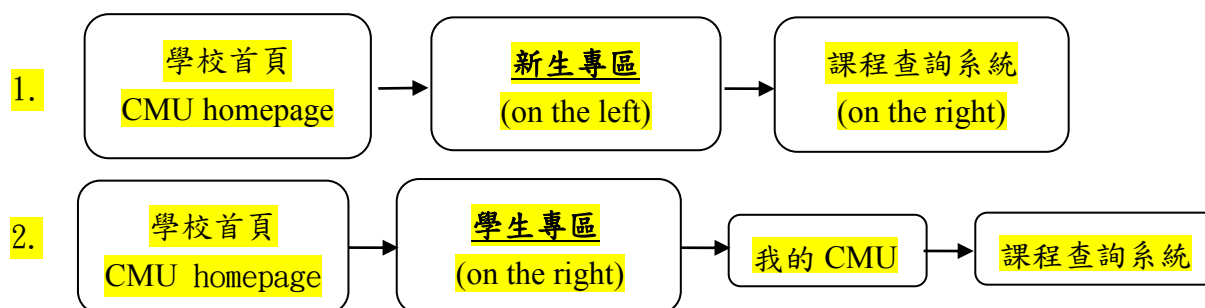

【Graduate students】

1. You should select both your required and elective courses on the Online Courses Selection System.

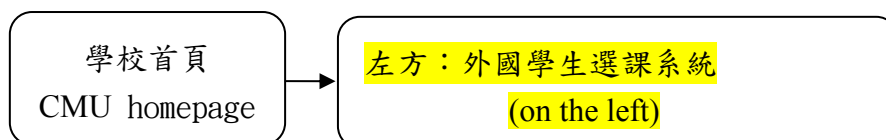

(1) You can find courses information on “System for Course Schedule” (課程查詢系統): <http://web1.cmu.edu.tw/courseinfo/?i18n=en>

If you have question about courses, please discuss with your advisor or department.

Where to find System for Course Schedule?

(2) Online courses selection system

*Your password for Courses Selection System is the same as Student Information System.

Account: student ID

Default password: your birthday (month+date, 4 numbers)

*Student Information System will ask you to change password when you log in for the first time.

(3) Reference: **Time for online courses selection** ° (see next page)
