

# China Medical University 2018 Academic Year Online Courses Selection Information

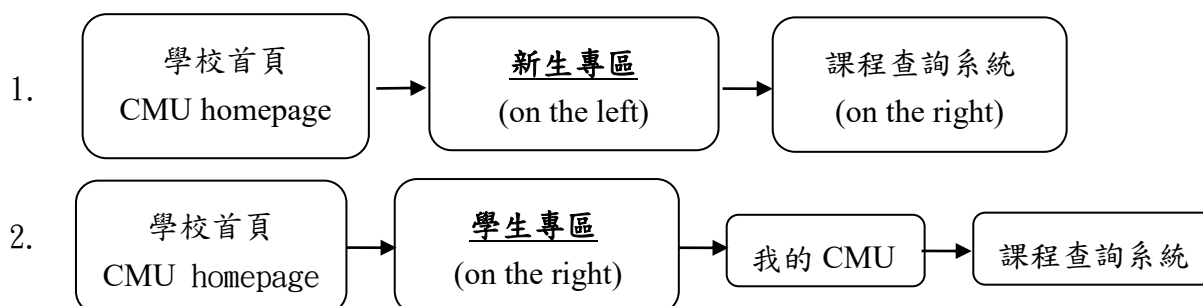

## 【Graduate students】

### 1. You should select both your required and elective courses on the Online Courses Selection System.

(1) You can find courses information on “System for Course Schedule” (課程查詢系統): <http://web1.cmu.edu.tw/courseinfo/?i18n=en>

If you have any questions about courses, please discuss with your advisor or department.

Where could you find System for Course Schedule?

(2) Online courses selection system

\*Your password for Courses Selection System is the same as Student Information System.

Account: student ID

Default password: your birthday (month+date, 4 numbers)

\*Student Information System will ask you to change password when you log in for the first time.

(3) Reference: **Time for online courses selection** ° (see next page)
