China Medical University Spring 2024
Online Courses Selection Information

【Graduate students】

1. **You should select both your required and elective courses on the Online Courses Selection System.**

    (1) You can find courses information on "System for Course Schedule" (課程查詢系統).

    Link: https://web1.cmu.edu.tw/courseinfo/

    If you have any questions about courses, please discuss with your advisor or department. In addition to the website above, you could also follow the route to look up for course information.

    CMU English page → Student Area → My CMU → Course Query System

    To look up for courses taught in English, please always tick **"full English courses"** in the system before sending out to search, otherwise the results would also include courses taught in Mandarin.

    (2) Online Courses Selection System

    Link: https://web1.cmu.edu.tw/English.aspx

    To find out required / elective courses and graduation standard of your department, please check the website or contact the secretary of your department directly.

    *Your password for Courses Selection System is the same as Student Information System.
    Account: student ID

    Default password: your birthday (yyyymmdd, 4 digits)

    *You will be required to change password when you log in the student information system for the first time.

    *Please note that, foreign students are unable to select courses taught in Mandarin in the system. If you would like to select such courses, please submit your TOCFL result (should be B1 or above) in your student information system first.

*How to select courses:

1. Click "+" if you would like to select this course.
2. International students can only select courses taught in English. If you would like to choose Chinese-taught courses, please submit your qualified certificate in SIS.
3. Click the red button to drop the course chosen.

*Submission of TOCFL result (should be B1 or above) in your student information system

*Timetable of courses:

(3) Reference: **Schedule for online courses selection**。
