

China Medical University Fall 2024

Online Courses Selection Information

【Graduate students】

1. You should select both your required and elective courses on the Online Courses Selection System.

(1) You can find courses information on “System for Course Schedule” (課程查詢系統).

Link: <https://web1.cmu.edu.tw/courseinfo/>

If you have any questions about courses, please discuss with your advisor or department. In addition to the website above, you could also follow the route to look up for course information.

CMU English page → Student Area → My CMU → Course Enquiry System

To look up for courses taught in English, please always tick “**Full English courses**” in the system before sending out to search, otherwise the results would also include courses taught in Mandarin.

(2) Online Courses Selection System

Link: <https://web1.cmu.edu.tw/English.aspx>

To find out required / elective courses and graduation standard of your department, please check the website or contact the secretary of your department directly.

*Your password for Courses Selection System is the same as Student Information System.

Account: student ID

Default password: your birthday (yyyymmdd, 8 digits)

*International students are not allowed to select courses given in the evening (from 18:55-22:00, course period BCD) or weekends.

*If you would like to select Mandarin (Chinese) -taught courses, please submit your TOCFL result (should be B1 or above) in your student information system first. Otherwise, you are only allowed to select English-taught courses.

*How to select courses:

Check the course on the [dropdown] period on [dropdown]
Department: [Master] Department of Physical Therapy, Graduate Institute of Rehabilitation Science x * Find out more courses by selecting other departments
Grade: 1
Campus: Select

The selectable courses list

- 1 ? + 漢 42000005/A, Pain science & reasearch methods, 2 credit(s), Elective
